Dear Monsieur Santamarina

I have just received through Mademoiselle Sophy Santamarina your kind letter, including my Honorarium of £1200 – for the portrait of Madame Santamarina for which accept my thanks.
I have also received the sum for the amount of Mr. Reiny – covering his bill – which I have arranged yesterday as soon I receive from Mr. Reiny the acknowledgment I will forward it to you.
I sincerely hope to see you and Madame soon – with the very best news from Paris –

With my warmest Regards
Yours truly
P. Adolf Lanzio
