Metform 3100
(March 2005 edition)

POCKET REGISTER
FOR
CLIMATOLOGICAL OBSERVATIONS

The observer is strongly recommended to make frequent use of the *SPOT-ON observers guide*, as a guide to observing practices. It should be noted that the coding instructions in the Supplement to this Register (Metform 3100A) for the completion of the monthly return (Metform 3208B) rendered by stations co-operating with the Met Office, supersede those given in the previous editions.

This Pocket Register is designed for use by observers voluntarily co-operating with the Met Office, and is supplied to them, free of charge, upon application.
