DO IT  
FOR  
REAL

# Do more than study, Do It For Real at Confetti

We're a specialist creative industry institute, part of Nottingham Trent University (NTU). Our campuses are home to the very best technology, studios, equipment, industry-connected tutors, real-world experiences, and over 2000 passionate and committed students.

Founded in 1994, we're a UK leader in the creative and entertainment industries and it's our mission to make sure you receive the best, the most relevant, and the most inspiring education and training. Our college courses offer a great pathway into the creative industries, no matter what your prior experience is.

After college, you can also continue your studies with us on our range of undergraduate and postgraduate degrees, which are available in two of the UK's most creative cities.
