

DO IT FOR REAL

Do more than study, Do It For Real at Confetti

We're a specialist creative industry institute, part of Nottingham Trent University (NTU). Our Nottingham and London campuses are home to the very best technology, studios, equipment, industry-connected tutors, real-world experiences, and over 2000 passionate and committed students.

Founded in 1994, we're a UK leader in the creative and entertainment industries and it's our mission to make sure you receive the best, the most relevant, and the most inspiring education and training. All our degrees are validated by NTU, meaning you benefit from the best of both worlds – studying a specialist hands-on degree, with all the support and extra-curricular experiences from an award-winning university.
