Sustainability:

We use FSC Certified veneers on our moulded seats and backrests. Pad filling is 100% British Wool sourced from RWS (Responsible Wool Standard) supplier. BS5852 Compliant.

Our steel frames are highly durable and widely recyclable. Each table is designed for easy disassembly, allowing for on-site repairs and part replacements.

Our Future Return Value (FRV) scheme is to keep DEKA products in sustainable circulation for as long as possible. Returned items are graded, and clients receive redemptions that help close the loop in a transparent, incentivised way. Rewards can be issued as store credit, cash, or charity donations, your choice.
