

HÔTEL BEAU SÉJOUR
LAUSANNE

31.1.1919

Dear Mrs Laszlo

You & your husband
have given me the greatest
pleasure in writing in my
book -

I am sure I cannot thank

Mr de Laigló enough for his
great kindness.

You can imagine how
proud I am to have his
sketch in my book.

Do please thank him ever
so much —

I was so sorry to have
missed making your

a acquaintance, when you
were at Lausanne -

Daddy has told me so
much about you -

We are having nasty
foggy weather here, but
I suppose it is the
same everywhere -

The hotel is very empty
so it is rather dull just
now -

Please give my kindest
regards to your husband.

Yours sincerely

Carola Cochrane
