My dear Mr. ...

I shall make
arrangements to
arrive on Saturday
night week & to see
you on Sunday. I
think I had better
stop at my Club, if they
can provide a room, but
if they can't I shall fall

back upon you -

I hope all will
be well & it should
be a great help
having the letter.

I saw the report
of the survey in the
and then return
for the cutting for sent.
and the article spoke up well.
I would there be
any change in the
do's please keep me

Just advised -

I am glad you
find Sam's name
complete.

Yours truly
Howard
