

WOLMER WOOD

MARLOW COMMON,

MARLOW, BUCKS.

May 25th 1933

My dear Philip

I was very glad to get your letter this morning and congratulate you most heartily on the York commission — it is, as you say, very significant. Thanks much for your invitation for Saturday; of course we shall be delighted to come and I am looking forward to a talk — it seems a long time since we had one.

Our love to you all

Yours yours

A.L.B.
