

WOLMER WOOD,

MARLOW COMMON,

MARLOW, BUCKS.

July. 24th 1933.

My dear Philip

Ever so many thanks, your kindness and generosity are amazing and I hardly know what to say in response. I am looking forward greatly to seeing you tomorrow and if you can manage a visit to Peter too I know he will be most delighted to see you. He is only allowed to have visitors between 2 and 4.30 can you time your run here to fit in between those hours? Will you call for me first or will you see Peter and then come up here?

I do hope you will have a good time abroad — take care of yourself.

Ever yours gratefully

F. L. B.
