Dear M. de Laazlo

I can't get over
your kindness in
offering to give me
a sketch of my mother
or myself as wedding
present - there could be
nothing in the world
I or my fiance' should

like more, thank you
a 1000 times for your
great generosity.

I naturally wanted to
have one of my notes
but she & my father
both insist that it
should be of me, so
may I come for a sitting
one day soon? Perhaps
your secretary could telephone
to suggest a day that
would be convenient for
you? Yrs. & sincerely
Katherine Fitzmaurice
