

WOLMER WOOD,

MARLOW COMMON,

MARLOW, BUCKS.

Sept. 4th 1934

My dear Philip

In obedience to your command
I am writing to say that I shall be
very glad to come to you on Friday
— if that is all right for you —
but that I shall not be able to
come to lunch as I shall have
some things to do first. So I will
get these things done and turn
up about 6; will that suit
you?

Are you having a busy week
or are you taking things quietly?

Always yours

A.L.B.
