

WOLMER WOOD,

MARLOW COMMON,

MARLOW, BUCKS.

March 5th 1934.

Dear Miss Abernethy

Forgive me for my delay in thanking
you for the "Illustrated London News";
I am very glad to have it as the
reproduction is a reasonably good
one. I had a note from Mrs
de Laszlo today, saying that she
would be meeting the great man at
Gibraltar about the middle of this
month; I suppose this means that
he is — or will be soon — on his way
back. Will he come to London or
go straight to Gib.? I have a bone to
pick with him, as I have written
him three letters and have had
only one from him and that crossed
the first letter I wrote him, so I
have heard nothing of his doings
in America. But I expect he
has had his usual rush of work

And probably he has not had
much spare time for letter writing.
● I hope he has not suffered from the
frenzied weather which, according
to the papers, seems to have been
misbehaving itself for most of the
time he has been in America
— really, except for the fogs, he
would have been better off at home
this winter, as we have escaped
the more violent kinds of weather
so far. Down here I think we have
been really lucky as many of the
days lately which have been dark
and foggy in London have been
● brilliantly sunny with us.

Very kind regards

Sincerely yours

A.K. Baldry.
