Dear Miss Abernethy

Shall you be sending any reviews that you may get of the portrait painting book to Mr de Laszlo or shall you keep them for him to see when he comes back? I am asking this because I am wondering whether I might look at any reviews that are interesting before you send them on. I would, of course, return them to you at once but I am curious to see what sort of attitude reviewers take towards the book and whether any of them show an inclination to scoff at Mr de Laszlo's views about painting. Personally, I think the book looks very well and should have a wide appeal.

Kind regards

Sincerely yours

A. L. Baldry
