Dear Mr. de Zazelo -

We will gladly

go to you on

Wednesday next

at 5.0.2, to talk

over my daughter's
portrait. & how

best to have her
done. And we
can then arrange
about the sitting.

I had hoped they
could have been
managed before
Easter, as we go

~~1000~~
to the country here, but
we must see what can
be arranged —

Yours sincerely

Florence Ross
