Dec 28th October

Dear Sir

I have received both your letters in answer to mine from Nancy I am leaving tonight for Bern where I shall remain eight days and will return for my lectures
As my condition is not very strong the doctor did not allow me to be away

in the morning I would much rather
attend Church in the afternoon from
2 pm.
Hoping this will not put to much trouble
upon you
I am truly
Yours
Miss Sadie Leyia Alden
