My dear Mr. de László -

Complying with instructions from Dr. Stratton, we are this day shipping by American Express Co., to The French Gallery, 120 Pall Mall, London, a case containing his portrait by yourself. This goes forward, charges collect, insured against every risk for \$10,000.00. It is not covered by insurance after delivery at the above mentioned gallery. You will no doubt give the necessary instructions to protect it and also see that it is insured on its return at the value placed by Dr. Stratton.

We take this opportunity to wish you every success with the forthcoming exhibition, and beg to remain,

Very truly yours,
