

ART AND REASON

The organ of sane and competent Art

1 LUMLEY ROAD

CHEAM, Surrey

Dec 15th 1937

Mrs P. H. de Laszlo

Dear Madam

I am sending you the copy of my paper, in which your husband was so cordially interested. If you would care to continue to receive it, kindly let me know, as it will give me very great pleasure to keep up, thus, the former relationship.

I am, dear madam
With very deep sympathy
Yours most sincerely
F. C. Tilney
