

Swifts!

Encouraging Swifts back into a Dartmoor Village

An Illustrated talk by three local Swift conservationists:

Nick Dixon – Increasing Swift numbers through nest-box provision

Malcolm Burgess – RSPB scientist studying Swifts by nest monitoring and tracking individuals

Jerry Horn – Creating Swift nesting colonies in Devons churches

Wednesday 17th July

The Drewe Arms, Drewsteignton, EX6 6QN

7.00pm – 8.30pm

In the Long Room

The talk will be followed by a short, guided walk around the village looking at nestbox locations and swift numbers.

This is a free event with donations to 'Devon Birds'
