STRYKER EV CREW

5-YEAR
BATTERY
WARRANTY
HSUN

The all-new HiSun Stryker EV CREW sets a new benchmark for off-road performance, combining rugged capability with advanced electric technology. Powered by a 15 kW, 72-volt direct-drive battery system, it delivers instant torque, near-silent operation, and zero emissions—without sacrificing strength or durability. Available in two and four-passenger models, it is engineered to tackle demanding terrain with confidence and control.

Built for real-world work and adventure, Stryker comes fully equipped with:

- Electric Power Steering (EPS) for smooth, precise handling
- Dual 10 inch full-colour LCD displays
- Apple CarPlay, Bluetooth, FM/AM Radio and integrated door speakers
- Front and rear cameras as standard to enhance visibility
- Push button start
- Half cab as standard with folding glass windshield, washer and wiper
- 3,500-lb winch
- Heavy-duty side rails and rear bumper
- Towbar, rear work light, and roof-mounted light bar

Quiet, clean, powerful—and ready for anything.
