Monday 13th July 2026

Dear Parents and Carers,

We are writing to let you know about some changes to the charging structure for our after-school clubs and wraparound care, which will take effect from **September.**

As a school, we are committed to providing a wide range of enrichment opportunities for our pupils. We recognise that cost can sometimes be a barrier to participation, so we have reviewed our charging arrangements to encourage more children to take part in our after-school clubs. The following changes will occur:

- **The first hour after school will be charged at a reduced rate of £4.00.**
- Any additional time will be charged at **£4.00 per half hour**.

We hope that reducing the cost of the first hour will make it easier and more affordable for families to access the excellent range of clubs and activities available to our children.

We are also pleased to confirm that any child who remains in our after-school provision **beyond 5.00pm** will be offered a **hot tea**. This will ensure children staying for the later session have a small meal before they are collected.

We believe these changes will provide greater flexibility for families while supporting increased participation in enrichment activities that help children develop new skills, interests and friendships. In line with our Charging and Remissions policy, we can also offer a reduced cost for any families who are entitled to this for the enrichment clubs. Please get in touch for more information should you need it.

If you have any questions about these changes, please contact the school office.

Thank you for your continued support.

Meg Crampton

Head of School
