Monday 24<sup>th</sup> November,

Dear Parents and Carers,

As part of our collaborative work with Powell's, we are excited to introduce you to our new Family Support Worker. Jodie Oram has supported many children and families in different areas of school and family life. She will be working at Sapperton two Wednesdays a month, with our wonderful children and any families that would benefit from this support.

My name is Jodie Oram and I have worked at Powell's School since 2016. I have worked as a teaching partner across the school primarily supporting SEMH/SEND pupils. Before starting at Powell's I have worked in both Primary and Secondary school settings and this enabled me to develop my role into Family Support and Pastoral lead.

I am here to support with:

- \* Establishing positive relationships with you and your children
- \* Making it easier for you to work closely with the school and other agencies for the benefit of your child
- \* Listening to and supporting you with any concerns you might have regarding your child
- \* Supporting positive relationships between you and school staff where necessary
- \* Recommending support from other services if necessary
- \* Promoting your child's wellbeing and mental health
- \* Making myself available for informal chats, appointments, and if needed home visits
- \* Providing an impartial and confidential ear should you just need a chat

We look forward to working with Jodie and are pleased we can offer this incredible support to our families.

Yours faithfully,

Meg Crampton

Head of School
