Dear Parents/Carers,

The way lunches are administered at Sapperton is changing.

From the beginning of next term, please order and pay for your child's school lunch 48 hours in advance via ParentPay. We will no longer be taking meal choices daily in school.

Please see the link explaining how to book meals on ParentPay:

Additionally, from 1st April the price of a meal is increasing to £2.95.

If you need any further information or require help with the new system, please contact the office.

Yours sincerely,

Sophie Smith

School Business Manager
