Dear Parents and Carers,

Due to the continued high temperatures and the significant build-up of heat within our school buildings this week, we are asking parents and carers to collect their children from school at **1:15pm on Friday 26th June**.

We are very conscious of the impact that the sustained temperatures are having on our children. Many are feeling tired due to disrupted sleep, and the heat can make it more difficult for them to remain comfortable and focused throughout the school day, particularly true for our younger children, who are often less able to recognise when they are becoming overheated or regulate their body temperature effectively. For this reason, we would strongly encourage parents and carers of pupils, where possible, to take advantage of the early collection. **If you cannot pick up your children at 1:15pm tomorrow, and need childcare for the afternoon, please let the class teacher know before 8am tomorrow morning.** Please note these arrangements are different to previous instructions.

Thank you for your understanding and support.

Kind regards,
