15th September 2026

Dear Rowan and Elder Parents and Carers,

We are excited to announce that Young Voices 2027 has been booked! 🎵

Being part of Young Voices is such a magical experience for Sapperton. Even if singing isn't really your child's 'thing', the experience of being part of something so huge — the camaraderie, the excitement and the incredible arena atmosphere — is something they will remember for a long time.

All we ask is that the children want to be involved and are willing to put the effort into learning the songs. There is an expectation that they will perform the songs on the day, so practising beforehand is really important. The performance itself is absolutely amazing, but it's only truly magical when we've put in the work together to learn the songs and are ready to enjoy every moment.

The concert will take place at **The O2 Arena London on Wednesday 20th January**. The children will leave in the morning to enjoy the whole day out. We will be arriving back in Sapperton at around 1am. We will allow a later start for those who participated on Thursday 21st January.

To learn the songs, Mrs Crampton will be running a free after school club on a Monday from October half-term to 18th January 2027 for all children who have signed up. Please ensure your child understands that they need to commit to attend this club weekly and learn the songs before paying your deposit. (Mrs Crampton may need to cancel an occasional session depending on her other leadership commitments, but in this event, we will endeavor to give you advance notice).

The final cost of this trip is dependent upon final numbers, but is likely to be around £30 which includes coach travel.

If you wish your child to take part, please can we ask you to pay a deposit of £10 by Friday 2nd October 2026 via ParentPay. Please note that deposits are non-returnable, unless the trip is cancelled due to low numbers. Once all deposits have been collected, we will confirm the final cost.

Yours faithfully

Meg Crampton
Acting Head of School
