9 PATTERN PIECES

- 1 FRONT - A,B
- 2 BACK - A,B
- 3 POCKET - A,B
- 4 PLACKET - A,B
- 5 BACK NECKBAND - A,B
- 6 SLEEVE - A,B
- 7 SLEEVE BAND - A,B
- 8 GUSSET - B
- 9 COLLAR - B

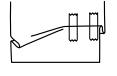

PATTERN MARKINGS

- **GRAINLINE:** Place on straight grain of fabric, parallel to selvage or fold.
- **FOLDLINE:** Place line on fold of fabric.
- **BUTTONHOLE MARKING:** Indicates exact length and placement of buttonholes.
- **BUTTON MARKING:** Indicates button placement.
- △ **NOTCHES AND SYMBOLS:** For matching seams and construction details.
- **INDICATES THE BUSTLINE, WAISTLINE, HIP AND/OR BICEPS:** Measurements refer to circumference of Finished Garment (Body Measurement + Wearing Ease + Design Ease). Adjust pattern if necessary. The measurement excludes pleats, tucks, darts and seam allowances.
- **SEAM ALLOWANCE:** 5/8" (1.5cm) included unless otherwise indicated, but not printed on tissue.

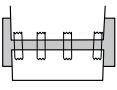

ADJUST IF NECESSARY

- **Lengthen or Shorten at adjustment lines (—) or where indicated on pattern.** If substantial length is added, you may need to purchase additional fabric.

TO SHORTEN: Crease along adjustment line. Make a fold half the amount needed. Tape in place.

TO LENGTHEN: Slash between adjustment lines. Spread amount as needed, keeping edges parallel. Tape over paper.

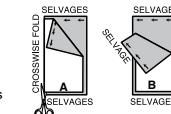

When Alteration lines are not on tissue, lengthen or shorten at lower edge.

- **SHRINK FABRIC** if not labeled pre-shrunk. Press.

CIRCLE LAYOUT for View, Size, Fabric Width.

Use **WITH NAP** layout for fabrics with one-way designs, nap, pile or surface shading. Because most knits have surface shading, a with nap layout is used.

For **DOUBLE THICKNESS (WITH FOLD)** - fold fabric with right sides together.

For **SINGLE THICKNESS** - place fabric right side up. (For Fur Pile fabrics, place pile side down.)

RIGHT SIDE OF PATTERN	WRONG SIDE OF PATTERN	RIGHT SIDE OF FABRIC	WRONG SIDE OF FABRIC
-----------------------	-----------------------	----------------------	----------------------

★ Cut other pieces first, allowing enough fabric to cut this piece. Open fabric. For "Cut 1" pieces, cut piece once on single layer of fabric with piece facing up on right side of fabric.

Pattern may have cutting lines for several sizes. Select the proper cutting line or pattern pieces for your size.

Before **CUTTING** place all pieces on fabric according to layout. Pin. (Layouts show approximate position of pattern pieces; position may vary according to your pattern size.) Cut **ACCURATELY**, cutting notches outward.

Before removing pattern, **TRANSFER MARKINGS** and lines of construction to Wrong Side of fabric, using the Pin and Chalk Pencil method or Tracing Paper and Dressmaker Wheel. Markings needed on right side of fabric should be thread traced.

NOTE: Broken-line boxes (at bl cl) in layouts represent pieces cut by measurements provided.

SEWING INFORMATION

FABRIC KEY

SEAM ALLOWANCES

Use 5/8" (1.5cm) seam allowances unless otherwise indicated.

PIN AND FIT

Pin or baste seams, RIGHT SIDE TOGETHER, matching notches. Fit garment before stitching major seams.

PRESS

Press seam allowances flat; then open unless otherwise stated. Clip where necessary so they lie flat.

GLOSSARY

Sewing terms appearing in **BOLD TYPE** in Sewing Instructions are explained below.

GATHER – Loosen needle tension slightly. With **RIGHT** side up, stitch 5/8" (1.5cm) from cut edge using a long stitch. Stitch again 1/4" (6mm) from the first stitching within the seam allowance.

NARROW HEM – Press under hem allowance as indicated on tissue pattern. To form narrow hem, tuck under raw edge to meet crease. Press. Stitch hem in place.

STAY-STITCH – Stitch 1/4" (6mm) from cut edge in direction of arrows. This stitching stays in permanently to prevent stretching on curved edges. (Shown only in the first illustration.)

UNDERSTITCH – Press facing and seam away from garment, stitching through facing and seam allowances close to seam.

@alissahthreads

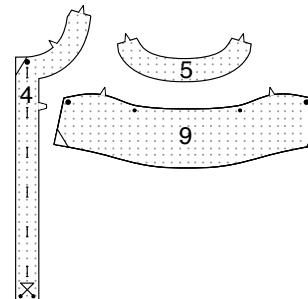

PATTERN PIECES WILL BE IDENTIFIED BY NUMBERS THE FIRST TIME THEY ARE USED.

STITCH SEAMS WITH RIGHT SIDES TOGETHER UNLESS OTHERWISE STATED.

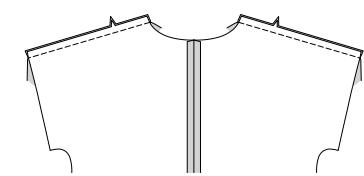

SEWING DIRECTIONS

DRESS A, ROMPER B

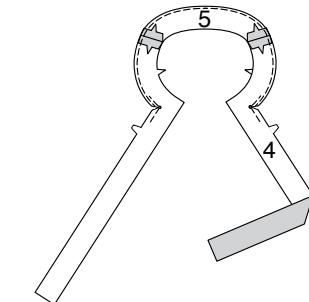

1. Apply interfacing to PLACKET (4) and BACK NECKBAND (5), and additionally for View B, COLLAR (9). Fuse in place following manufacturer's directions.

4. Stitch front to back at shoulder edges.

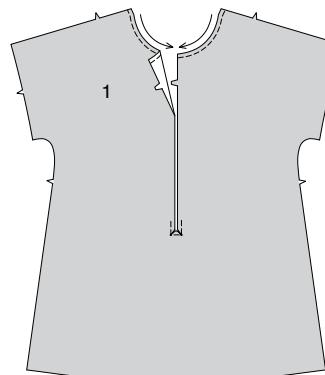

5. Pin PLACKET (4) to BACK NECKBAND (5) at shoulder edges. Stitch. Machine-stitch inner edge of back neckband and placket along seam line starting and stopping 1" (2.5cm) below upper small dots, as shown. Clip to stitching at small dots.

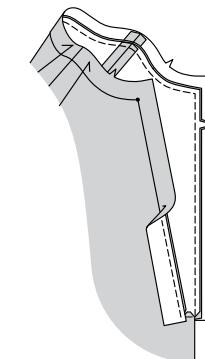

2. STAY-STITCH neck edge of FRONT (1) in direction of arrows.

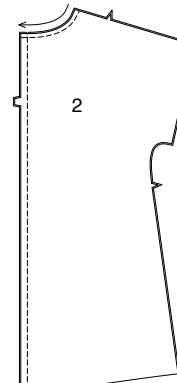

To reinforce front at the inner small dots, stitch along seam line for about 1" (2.5cm) each side of small dot, stitching through dot, as shown. Clip to stitching at the dot.

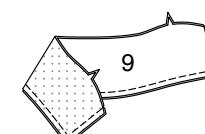

6. With right sides together, pin inner edge of neckband and placket to upper edge of garment, matching centers, seams, and small dots, clipping band to stitching as necessary. Stitch inner neck edge and front starting and stopping at lower small dots, back-stitching at dots to reinforce the seam. Press seam toward band and placket, pressing band and placket out.

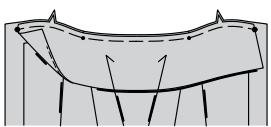

3. STAY-STITCH neck edge of BACK (2) in direction of arrows. Stitch back edges of back together.

7. With right sides together and raw edges even, stitch facing to COLLAR (9) in a 3/8" (1cm) seam, leaving notched edges open. Trim seam and corners.

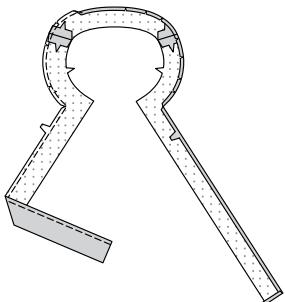

8. **UNDERSTITCH** the collar facing. Turn collar; press. Baste raw edges together. With right sides together and raw edges even, pin collar (facing side) to back neckband and placket, matching centers back and notches, placing small dots at shoulder seams and ends at large dots. Machine-baste.

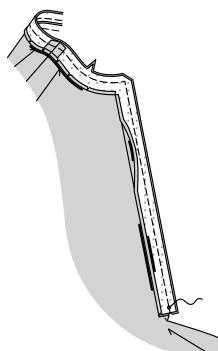

CONTINUE AS FOLLOWS FOR BOTH VIEWS

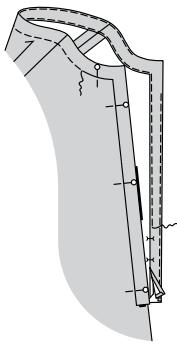

9. Stitch shoulder edges of back neckband and placket facing. Machine-stitch $1/4"$ (6mm) from inner edge. Press under facing along stitching, clipping to stitching as necessary. Press under lower edge of LEFT placket facing $1/4"$ (6mm).

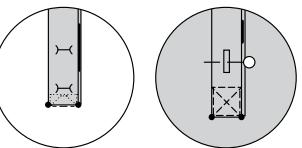

10. With right sides together, pin facing to placket at neck and front edges, (over collar for View B). Stitch starting and stopping at lower small dots, back-stitching at dots to reinforce the seam.

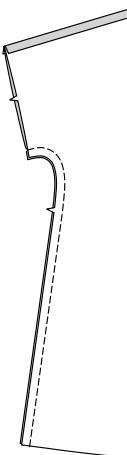

11. **UNDERSTITCH** the facing. Turn facing to inside; press. On inside, pin pressed edge of facing over seam, placing pins on outside. On outside, stitch in the ditch of the seam, catching in inner edge of facing on the inside.

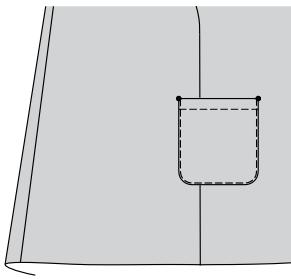

14. Press plackets up pressing seam toward placket. Pin pressed lower edge of left placket facing over seam, placing pins on outside. On outside, stitch along stitching lines through all thicknesses, catching in lower edge of left placket facing on the inside.

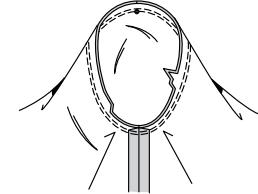

15. Stitch front to back at side edges.

18. On outside, pin pocket to garment, matching large dots. Stitch close to side and lower edges.

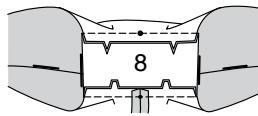

22. Turn sleeve right side out. Hold garment wrong side out with armhole toward you. With right sides together, pin sleeve to armhole edge with center small dot at shoulder seam, matching underarm seams, and notches. Baste. Stitch. Stitch again $1/8"$ (3mm) from first stitching. Trim seam below notches close to stitching. Press only the seam allowance, shrinking out fullness.

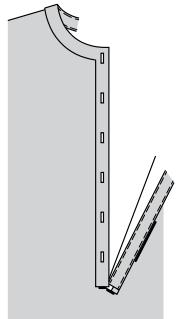

GUSSET B

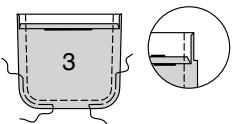

23. On inside, pin GUSSET (8) to inner leg edges of front and back, matching small dots, large dots, and notches. Stitch. Press seam toward gusset.

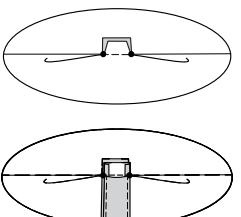

12. Make buttonholes on RIGHT placket at markings.

16. Press under $1/4"$ (6mm) on upper edge of POCKET (3). Turn upper edge to outside along fold line, forming facing. Stitch along seam line on raw edges. To ease curved edge of pocket, stitch $1/4"$ (6mm) inside the seam line, using a long machine-stitch. Trim seam allowance in the facing area to $1/4"$ (6mm).

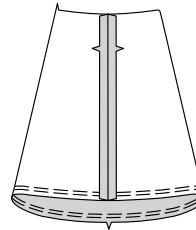

13. On outside, lap right placket over left placket, matching small dots; pin. Fold upper front down along lower placket seamline with right sides together. Pin clipped edge of front to plackets matching small dot. Stitch between small dots, back-stitching at dots to reinforce the seam, being careful not to catch in lower edge of left placket facing.

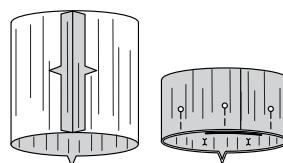

17. Turn corners right side out, turning facing to the wrong side; press, pressing under raw edges along stitching. Stitch facing close to inner edge.

19. Stitch underarm edges of SLEEVE (6) together. GATHER lower edge.

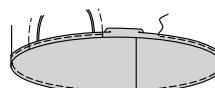

20. With right sides together, stitch notched ends of SLEEVE BAND (7) together. Fold sleeve band in half, with wrong sides together and raw edges even; press. Pin.

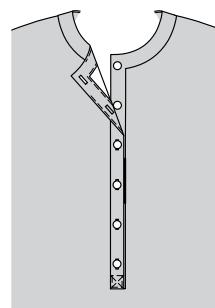

CONTINUE AS FOLLOWS FOR BOTH VIEWS

24. Press up hem allowance on lower edge of garment. NARROW HEM.

25. Sew buttons to left front placket under buttonholes.
