General Directions

The Pattern

SYMBOLS

ADJUST IF NEEDED
Make adjustments before placing pattern on fabric.

TO LENGTHEN:
Cut pattern between lengthen or shorten lines. Spread pattern evenly, the amount needed and tape to paper.

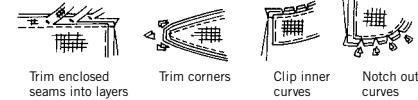

TO SHORTEN:
At lengthen or shorten lines, make an even pleat taking up amount needed. Tape in place.

SEAM ALLOWANCE: 5/8" (1.5cm) unless otherwise stated but not printed on MULTI-SIZE PATTERNS. Mark your size with colored felt tip pen. See chart on tissue for how to use MULTI-SIZE PATTERNS.

When lengthen or shorten lines are not given, make adjustments at lower edge of pattern.

Sewing

- SEW garment following **Sewing Directions**.
- PIN or machine-baste seams matching notches.
- STITCH 5/8" (1.5 cm) seams unless otherwise stated.
- PRESS seams open unless otherwise indicated clipping when necessary so seams will flat.
- TRIM seams to reduce bulk, as shown below.

BEFORE CUTTING:

PRESS pattern pieces with a warm dry iron. PRE-SHRINK fabric by pre-washing washables or steam-pressing non-washables.

CIRCLE your cutting layout.

PIN pattern to fabric as shown in Cutting Layouts.

- FOR DOUBLE THICKNESS: Fold fabric with RIGHT sides together.
- FOR SINGLE THICKNESS: Place fabric RIGHT side up.
- FOR PILE, SHADeD OR ONE WAY DESIGN FABRICS: Use "with nap" layouts

AFTER CUTTING:
Transfer markings to WRONG side of fabric before removing pattern. Use pin and chalk method or dressmaker's tracing paper and wheel.

To Quick Mark:

- Snip edge of fabric to mark notches, ends of fold lines and center lines.
- Pin mark dots.

SPECIAL CUTTING NOTES

★ If layout shows a piece extending past fold, cut out all pieces except piece that extends.

★ Mark small arrows along both selvages indicating direction of nap or design. Fold fabric crosswise with RIGHT sides together, and cut along fold (a).

Open out fabric to single thickness. Cut extending piece on RIGHT side of fabric in position shown.

Turn one fabric layer around so arrows on both layers go in the same direction. Place RIGHT sides together (b).

BLAZER A, B

VIEW A-Will be shown unless otherwise indicated.

1. Press under 1/4" (6mm) on upper edge of pocket (2). Turn upper edge to **OUTSIDE** along fold line, forming facing. Stitch along seam line on raw edges. To ease curved edge of pocket, stitch 1/4" (6mm) **INSIDE** the seam line, using a long machine-stitch. Trim seam allowance in the facing area to 1/4" (6mm).

2. Turn corners **RIGHT** side out, turning facing to the **WRONG** side; press, pressing under raw edges along stitching. Pull up ease stitches to shape the curve. To eliminate bulk, notch out the fullness in the seam allowance along the curves as far as the ease stitches. Stitch facing close to inner edge.

3. On **OUTSIDE**, pin pocket to front (1) matching large dots. Stitch close to side and lower edges. **REINFORCE** inner corner at small dot. Clip to small dot being careful not to clip through stitching.

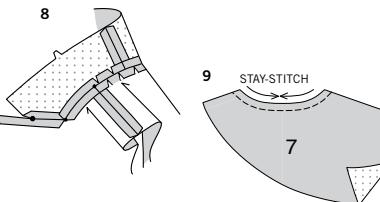

4. **FINISH** lower edge of back (3). **STAYSTITCH** neck edge of back in direction of arrows.

5. With **RIGHT** sides together, stitch front to back at shoulder seams.

6. Apply **INTERFACING** to under collar (5) sections. Stitch center back seam.

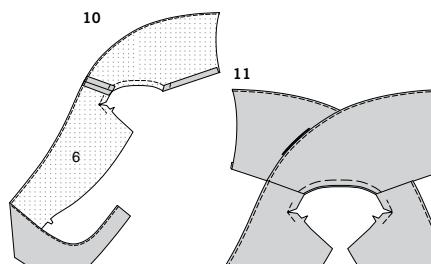

7. Pin front edge of under collar to front edge of blazer, matching small and large dots, having raw edges even. Stitch between small and large dots, back-stitching at dots. Do not trim this seam. Press seam down.

Clip back neck edge of blazer to stay-stitching along curves.

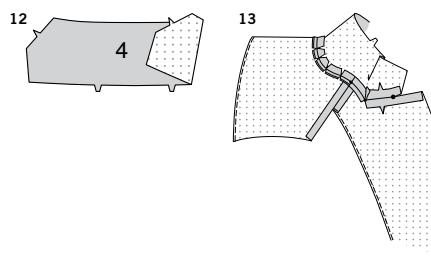

8. Pin remaining edge of under collar to neck edge of blazer, matching centers back and placing inner small dots at shoulder seams. Stitch seam between outer small dots, back-stitch to reinforce. Trim neck; clip curves.

9. Apply **INTERFACING** to back facing (7). **STAYSTITCH** neck edge of back facing in direction of arrows.

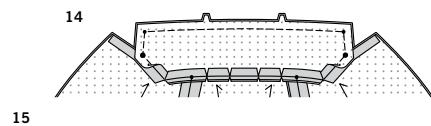

10. Apply **INTERFACING** to front facing (6). **REINFORCE** inner corner of front facing at small dot. Clip to small dot being careful not to clip through stitching. With **RIGHT** sides together, stitch shoulder seam of front and back facing sections. **FINISH** unmarked edge of facing. Press under remaining shoulder seam of back facing.

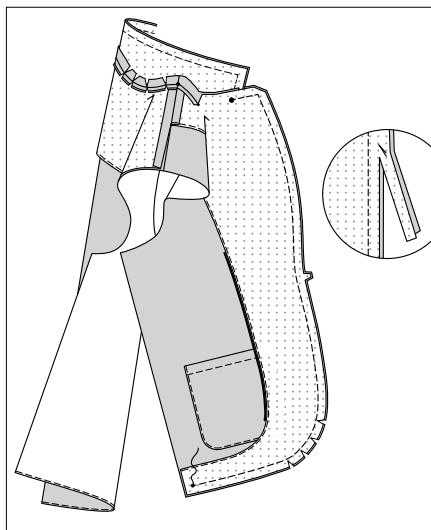

12. Apply **INTERFACING** to upper collar (4).

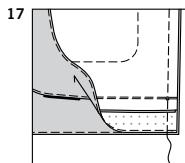

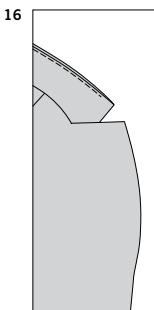

13. Clip neck edge of back facing to stay-stitching along curves. Pin upper collar to neck edge of facing, matching centers back, and notches, placing inner small dots at shoulder seams. Stitch between large dots, pivoting with needle in fabric at small dots at inner corners. Trim back neck seam between shoulder seams; clip curves.

14. With **RIGHT** sides together, pin upper collar to under collar, matching centers back, small and large dots. Turn neck seam allowances down. Hand-baste outer edges of upper and under collar together between large dots, working basting stitches from center back to large dot, easing upper collar to fit. Stitch as basted from center back to large dot, overlapping a few stitches at center back and being sure to stitch exactly to the large dots at each end of collar. Anchor thread ends securely at large dots.

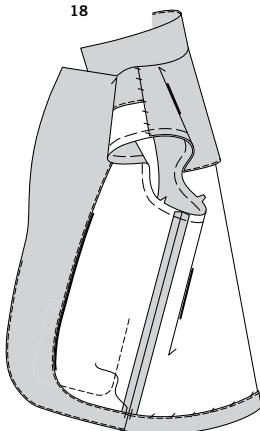

15. Pin front facing to blazer, matching small and large dots. Hand-baste from large dot at neck edge to small dot at lower edge of facing, easing front facing to fit. Carefully turn neck seam allowance toward collar so that you can insert machine needle at the large dot. Stitch as basted, being careful not to catch in collar seam allowances at large dot. Back-stitch at seam to reinforce. Anchor thread ends securely at large dots. Trim each seam of collar and facing carefully to within 1/4" (6mm) of stitching, paying close attention to intersecting seam allowances where collar and facing meet. Trim across collar and lapel corners. Clip curves on lower front edges. Press all seams before turning.

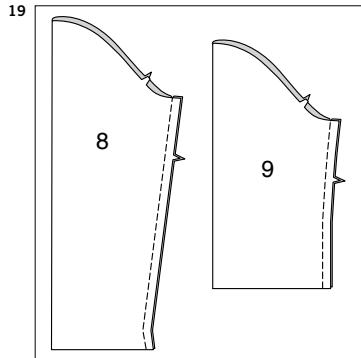

16. UNDERSTITCH under collar and facing, as far as possible. **UNDERSTITCH** facing below double notch. Turn facing to inside, press.

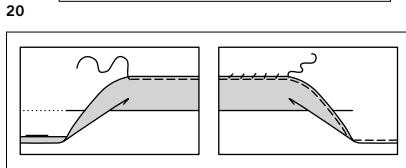

17. Open out side edges of facing. Pin side seam edges together matching small dots. Stitch.

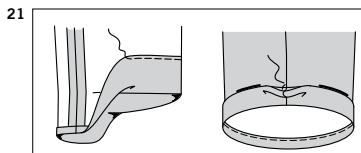

18. Turn facing and hem to **INSIDE**. Hand tack facing at side seams. **SLIPSTITCH** back facing in place. **SLIPSTITCH** pressed edge over shoulder seams. Baste facing to armhole edges.

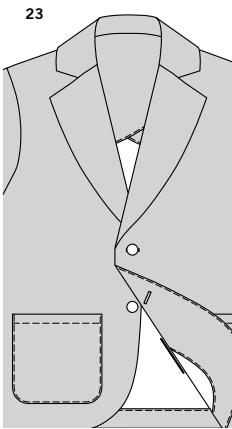

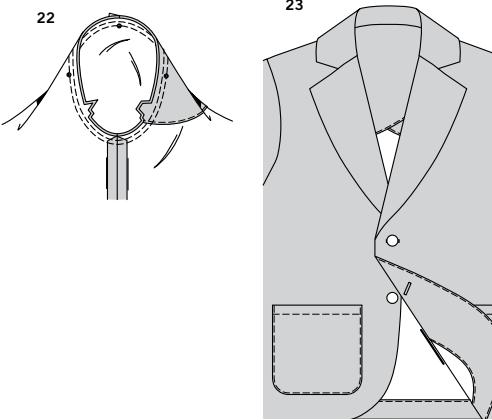

19. With RIGHT sides together, stitch underarm seam of sleeve (8) OR (9).

20. VIEW A- Press up hem on lower edge of sleeve. Press under $1/4"$ (6mm) on raw edge. Stitch close to inner pressed edge. **OPTIONAL:** **FINISH** lower edge of sleeve and **SLIPSTITCH** hem in place, if you prefer.
