How to use your
Simplicity Pattern
read first...then sew!

1. PREPARE YOUR PATTERN

Select and press pattern pieces. Don't trim away margins. Pattern is made to body measurements with "ease" allowed for design, fit and comfort. Check your back waist and dress length. If necessary, alter the pattern before placing it on fabric.

2. KNOW YOUR PATTERN MARKINGS

STRAIGHT GRAIN: Place an even distance from selvage or a straight thread.
FOLD GRAIN: Place on fold of fabric.
CUTTING LINE
LENGTHENING AND SHORTENING LINES

STITCHING LINES: For darts, seams etc.
NOTCHES: Blocked in for easier cutting.
SEAM ALLOWANCE: 5/8" (1, 5 cm) unless otherwise stated.
DOTS: Small...medium.

3. FABRIC AND CUTTING LAYOUTS

Press fabric. Unless fabric is pre-shrunk, shrink before cutting. Pay particular attention to washing or cleaning instructions with fabric. Circle cutting layout below for your view, size and fabric width.

FOR DOUBLE THICKNESS... Fold fabric with RIGHT side INSIDE. Place pattern on WRONG side of fabric.

FOR SINGLE THICKNESS... Place pattern on RIGHT side of fabric. FOR NAP OR ONE-WAY DESIGN FABRICS... Use "with nap" cutting layout. BEFORE CUTTING... Pin all pattern pieces on fabric as in cutting layouts. Cut through pattern and fabric on cutting lines... cut notches out from cutting line... margins will fall away.

4. MARK AND SEW

Keep pattern pinned to fabric. Mark with tracing wheel and dressmaker's tracing paper, chalk or tailor's tacks. See Simplicity Sewing Book. Remove pattern from fabric and read directions on each piece as you sew.

STAY-STITCH... Machine-stitch through single thickness of fabric to prevent stretching of bias or curved edges... done on seam line or 1/8" (3mm) from

seam line within the seam allowance. Stay-stitching is shown only in the first illustration. PIN or BASTE SEAMS... Match notch 1 to 1, 2 to 2, etc. Use hand or machine-basting. STITCH SEAMS... In direction of arrows on pattern. Press open unless otherwise stated. See Simplicity Sewing Book for additional sewing details.
